Prologue

To my wife Lucia, Daughter Isabella and Son Sebastian.

In my previous book “Knowledge Management:An Optimization Challenge”, I explored and created the concepts behind Knowledge. Having that part of the equation clear, we now embark on the journey to define and explain what wisdom is. To me wisdom is a mix between rational knowledge and Intuitive knowledge. In this book I plan to confirm if the above is accurate and teach/learn how to acquire Wisdom as defined by the Ancient civilizations.

My idea is to create a concept for wisdom the same way I did it for Intuition and Rational Knowledge.

Why is Wisdom important: Practicing Wisdom through knowledge gives you a way to happiness and a long life. The decisions you make using Wisdom prevent situations from turning sour or difficult. Wisdom synthesizes all your knowledge transforming it into selecting always the right path making failure a thing of the past.

Why this book?

This book is a continuation of our exploration from knowledge into something bigger.

This book is intended not to teach wisdom, which you cannot, but to lay down some concepts and better understand what it is, and how you get there. In the many books of wisdom that I read, the authors do not give you wisdom or do not claim to have the whole truth, including Thoth. They force you into “realizing” the hidden truths. To me, it is very similar when we look at “experience”. You cannot teach it like in the Matrix movie. You can only give pointers, the student will only truly learn when he actually goes through the process. An example is when you burn your hand with a candle. You can describe it, but we only really know how it feels when we do it ourselves.

History of Ancient Knowledge

The way history was taught to me, indicated many gaps and unexplained events that happened mainly from Jesus' era back.

I love history, but I read many books without information about how ancient people built these colossal structures in the past, pyramids , temples, caves etc. So where can we start?

The most common place to start is the Bible. In the Genesis, says “

1:1 In the beginning God created heaven and the earth.

1:2 And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.

1:3 And God said, Let there be light: and there was light.

1:4 And God saw the light, that it was good: and God divided the light from the darkness.

1:5 And God called the light Day, and the darkness he called Night. And the evening and the morning were the first day.

1:6 And God said, Let there be a firmament in the midst of the waters, and let it divide the waters from the waters.

1:7 And God made the firmament, and divided the waters which were under the firmament from the waters which were above the firmament: and it was so.

1:8 And God called the firmament Heaven. And the evening and the morning were the second day.

1:9 And God said, Let the waters under the heaven be gathered together unto one place, and let the dry land appear: and it was so.

1:10 And God called the dry land Earth; and the gathering together of the waters called he Seas: and God saw that it was good.

1:11 And God said, Let the earth bring forth grass, the herb yielding seed, and the fruit tree yielding fruit after his kind, whose seed is in itself, upon the earth: and it was so.

1:12 And the earth brought forth grass, and herb yielding seed after his kind, and the tree yielding fruit, whose seed was in itself, after his kind: and God saw that it was good.

1:13 And the evening and the morning were the third day.

1:14 And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years:

1:15 And let them be for lights in the firmament of the heaven to give light upon the earth: and it was so.

1:16 And God made two great lights; the greater light to rule the day, and the lesser light to rule the night: he made the stars also.

1:17 And God set them in the firmament of the heaven to give light upon the earth,

1:18 And to rule over the day and over the night, and to divide the light from the darkness: and God saw that it was good.

1:19 And the evening and the morning were the fourth day.

1:20 And God said, Let the waters bring forth abundantly the moving creature that hath life, and fowl that may fly above the earth in the open firmament of heaven.

1:21 And God created great whales, and every living creature that moveth, which the waters brought forth abundantly, after their kind, and every winged fowl after his kind: and God saw that it was good.

1:22 And God blessed them, saying, Be fruitful, and multiply, and fill the waters in the seas, and let fowl multiply in the earth.

1:23 And the evening and the morning were the fifth day.

1:24 And God said, Let the earth bring forth the living creature after his kind, cattle, and creeping thing, and beast of the earth after his kind: and it was so.

1:25 And God made the beast of the earth after his kind, and cattle after their kind, and every thing that creepeth upon the earth after his kind: and God saw that it was good.

1:26 And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.

1:27 So God created man in his own image, in the image of God created he him; male and female created him.

1:28 And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth.

1:29 And God said, Behold, I have given you every herb bearing seed, which is upon the face of all the earth, and every tree, in the which is the fruit of a tree yielding seed; to you it shall be for meat.

1:30 And to every beast of the earth, and to every fowl of the air, and to every thing that creepeth upon the earth, wherein there is life, I have given every green herb for meat: and it was so.

1:31 And God saw everything that he had made, and, behold, it was very good. And the evening and the morning were the sixth day.

I believe that God's creation with animals and men/women were all intuitive thinking. God warned Adam and Eve not to eat from the tree of knowledge (Rational Knowledge that is). They disobeyed that command, and in turn here we are with the consequences of that decision.

My theory, and is just a theory based on recent findings, is that the garden of eden was actually in Antarctica. But you say Antarctica is frozen and inhabitable now. That is correct, but not hundreds of thousands of years ago. My theory is that the earth was rotated, and therefore what now are the poles, at that time where the tropical areas, and the rest of the continents were frozen, under the ice age period. So from the expulsion from Eden, man began the journey of having to learn things from scratch, something that unknowingly would take a huge amount of time. In my previous book (knowledge management:an optimization challenge) y defined knowledge as divided into two types. Rational and Intuitive.

So men decided to abandon intuitive knowledge(which is God's knowledge) and pursue rational knowledge, which has no comparison with intuitive knowledge. Why? Because it is extremely slow, you need to gather abundant data, you need to analyze it , then you need to test it, then you need to share it with others to find holes and exceptions to what you theorized, so in summary, it is very expensive and it takes a lot of time and resources. And there can be mistakes. Intuitive knowledge is the opposite. You need no effort, it's instant, and it is always true. That is if your left brain doubt does not get in the way. You need to trust your intuition in order for it to be effective.

I believe that the first or second civilization on earth lived in Antarctica, as skulls have been found recently, now that the ice is melting along with a piramid now visible from satellites. Those skulls appear deformed, the brain being enlarged (See Photo)

Many other tribes have the same tradition of enlarging skulls to babies in other parts of the world. This in their theory made them more capable of super thinking or better able to handle rational knowledge. We find some depictions in hieroglyphs from Egypt. Same story with ancient Inca culture

Another evidence found in Antarctica is that the land was tropical 90.000 years ago. So my theory is that many thousands (55 Million of years BCE, by M.G. Hawking¹) years back, an advanced civilization started in Antarctica, then when earth rotated, and Antarctica was no longer habitable, the ancient civilization is believed to have moved to Atlantis in the Atlantic ocean.

Atlantis history:

The oldest Greek writer (and only) we know is Plato, who wrote about Atlantis, a story that passed through generations about 9000 years BCE.

From Wikipedia we read: According to Critias, the Hellenic deities of old divided the land so that each deity might have their own lot; Poseidon was appropriately, and to his liking, bequeathed the island of Atlantis. The island was larger than Ancient Libya and Asia Minor combined, but it was later sunk by an earthquake and became an impassable mud shoal, inhibiting travel to any part of the ocean. Plato asserted that the Egyptians described Atlantis as an island consisting mostly of mountains in the northern portions and along the shore and encompassing a great plain in an oblong shape in the south "extending in one direction three thousand stadia [about 555 km; 345 mi], but across the center inland it was two thousand stadia [about 370 km; 230 mi]." Fifty stadia [9 km; 6 mi] from the coast was a mountain that was low on all sides ... broke it off all round about ... the central island itself was five stades in diameter [about 0.92 km; 0.57 mi].

In Plato's metaphorical tale, Poseidon fell in love with Cleito, the daughter of Evenor and Leucippe, who bore him five pairs of male twins. The eldest of these, Atlas, was made rightful king of the entire island and the ocean (called the Atlantic Ocean in his honor), and was given the mountain of his

¹ <https://www.goodreads.com/book/show/40108376-earth-s-first-civilization>

birth and the surrounding area as his [fiefdom](#). Atlas's twin Gadeirus, or Eumelus in Greek, was given the extremity of the island toward the pillars of Hercules.^[24] The other four pairs of twins—Ampheres and Evaemon, [Mneseus](#) and Autochthon, Elasippus and Mestor, and Azaes and Diaprepes—were also given "rule over many men, and a large territory."

Poseidon carved the mountain where his love dwelt into a palace and enclosed it with three circular [moats](#) of increasing width, varying from one to three stadia and separated by rings of land proportional in size. The Atlanteans then built bridges northward from the mountain, making a route to the rest of the island. They dug a great canal to the sea, and alongside the bridges carved tunnels into the rings of rock so that ships could pass into the city around the mountain; they carved docks from the rock walls of the moats. Every passage to the city was guarded by gates and towers, and a wall surrounded each ring of the city. The walls were constructed of red, white, and black rock, quarried from the moats, and were covered with [brass](#), [tin](#), and the precious metal [orichalcum](#), respectively.

According to Critias, 9,000 years before his lifetime a war took place between those outside the Pillars of Hercules at the [Strait of Gibraltar](#) and those who dwelt within them. The Atlanteans had conquered the parts of Libya within the Pillars of Hercules, as far as Egypt, and the European continent as far as [Tyrrenia](#), and had subjected its people to slavery. The Athenians led an alliance of resisters against the Atlantean empire, and as the alliance disintegrated, prevailed alone against the empire, liberating the occupied lands.

But afterwards there occurred violent earthquakes and floods; and in a single day and night of misfortune all your warlike men in a body sank into the earth, and the island of Atlantis in like manner disappeared in the depths of the sea. For which reason the sea in those parts is impassable and impenetrable, because there is a shoal of mud in the way; and this was caused by the subsidence of the island.

The [logographer Hellanicus of Lesbos](#) wrote an earlier work entitled *Atlantis*, of which only a few fragments survive. Hellanicus' work appears to have been a genealogical one concerning the daughters of Atlas ([Ἀτλαντις](#) in Greek means "of Atlas"), but some authors have suggested a possible connection with Plato's island. [John V. Luce](#) notes that when Plato writes about the genealogy of Atlantis's kings, he writes in the same style as Hellanicus, suggesting a similarity between a fragment of Hellanicus's work and an account in the *Critias*. Rodney Castleden suggests that Plato may have borrowed his title from Hellanicus, who may have based his work on an earlier work about Atlantis.

Castleden has pointed out that Plato wrote of Atlantis in 359 BC, when he returned to Athens from Sicily. He notes a number of parallels between the physical organisation and fortifications of [Syracuse](#) and Plato's description of Atlantis. Gunnar Rudberg was the first who elaborated upon the idea that Plato's attempt to realize his political ideas in the city of Syracuse could have heavily inspired the Atlantis account.

Based on the Emerald Tables from Thoth the Atlantean, the civilization fell because of aggressive people that raised to power, and started to use magic for obscure and evil purposes.

This combined with the crumbling of ethics and morale, convinced God that the Island had to be destroyed.

The only survivor was the main priest and King Thoth, who was warned of the impending destruction, so he could escape with his family and team of priests. The story of Thoth is next in this book.

Who was Thoth?

Toth the Atlantean had two names, in addition he was called Hermes Trismegistus, or Hermes who was born 3 times.

From the translations of the emerald tablets we read: " I am Thoth, the Atlantean, master of mysteries, keeper of records, mighty king, magician, living from generation to generation, being about to pass into the halls of Amenti, set down for the guidance of those that are to come after, these records of the mighty wisdom of Great Atlantis.

In the great city of KOR on the island of Undal, in a time far past, I began this incarnation. Not the little men of the present age did the mighty ones of Atlantis live and die, but rather from aeon to aeon did they renew their life in the halls of Amenti where the river of life flows eternally onward. A hundred times ten have I descended the dark way that led into light , and as many times have I ascended from the darkness into the light my strength and power renewed.

Great were my people in the ancient days, great beyond the conception of the little people now around me knowing the wisdom of old, seeking far within the heart of infinity knowledge that belonged to Earth's youth.

Wise were with the wisdom of the Children of Light who dwelt among us. Strong were we with the power drawn from the eternal fire. And of all these, the greatest among the children of men was my father. Thotme, keeper of the great temple, link between the Children of Light who dwelt within the temple and the races of the men who inhabited the ten islands. Mouthpiece, after the Three, of the Dweller of UNAL, speaking to the Kings with the voice that must be obeyed. Grew I there from a child into manhood, being taught by my father the elder mysteries, until in time there grew within the fire of wisdom, until it burst into a consuming flame. Naught desired I but the attainment of wisdom. Until on a great day the command came from the Dweller of the Temple that I was brought before him. Few there were among the children of men who had looked upon that mighty face and lived, for not as the sons of men are the Children of Light when they are not incarnate in a physical body.

Chosen was I from the sons of men, taught by the Dweller so that his purposes might be fulfilled, purposes yet unborn in the womb of time. Long ages I dwelt in the temple, learning ever and yet ever more wisdom, until I , too, approached the light emitted from the great fire. Taught me he, the path to Amenti, the underworld where the great king sits upon his throne of might. Deep I bowed in homage before the lords of life and the lords of death, receiving as my gift the Key of Life. Free was I of the Halls of AMenti, bound not by death to the circle of life. Far to the stars I journeyed until space and time became as naught. Then having drunk deep into the cup

of wisdom, I looked into the hearts of men and there found greater mysteries and was glad. For only in the Search for Truth could my Soul be stilled and the flame within be quenched. Down through the ages I lived, seeing those around me taste of the cup of death and return again in the light of life. Gradually from the Kingdom of Atlantis passed waves of the consciousness that had been on with me, only to be replaced by spawn of a lower star. In obedience to the law, the world of the Master grew into a flower. Downward into the darkness turned the thoughts of the Atlanteans, until at last in the wrath arose from Agwanti, the Dweller, Over the world then broke the great waters, drowning and sinking, changing Earth's balance until only the temple of Light was left standing on the great mountain on UNDAL still rising out of the water; some there who were living, saved from the rush of the fountains. Called to me then the Master saying: Gather ye together my people. Take them by the arts you have learned from far across the waters, until you reach the land of the hairy barbarians, dwelling in caves of the desert. Follow the plan you know already. Gathered I then my people and entered the great ship of the Master. Upward we rose in the morning Dark beneath us lay the Temple. Suddenly over it rose the waters. Vanished from Earth, until the time appointed, was the great Temple.

Fast we fled toward the sun of the morning, until beneath us lay the land of the children of Khem. Raging, they came with cud-gels and spears, lifted in anger seeking to slay and utterly destroy the Sons of Atlantis. Then raised I my staff and directed a ray of vibration, striking them still in their tracks as fragments of stone of the mountain. Then spoke I to them in words calm and peaceful, telling them of the might of Atlantis, saying we were children of the Sun and its messengers. Cowed I them by my display of magic-science, until at my feet they groveled, when I released them.

Long dwelt we in the land of KHEM, long and yet long again. Until obeying the commands of the Master, who while sleeping yet lives eternally, I sent from me the Sons of Atlantis, sent them in many directions, that from the womb of time wisdom might rise again in her children. Long time dwelt in the land of KHEM, doing great works by the wisdom within me. Upward grew into the light of knowledge the children of KHEM, watered by the rains of my wisdom. Blasted I then a path to Amenti so that I might retain my powers, living from age to age a Sun of Atlantis, keeping the wisdom, preserving the records.

The great pyramid was built by Thoth. It continues with "Other chambers I built and left vacant to all seeming yet hidden within them are the keys to Amenti. He who has the courage would dare the dark realms, let him be purified first by long fasting. Lie in the sarcophagus of stone in my chamber. Then reveal I to him the great mysteries. Soon shall he follow to where I shall meet him, even in the darkness of Earth shall I meet him, I, Thoth, Lord of Wisdom, meet him and hold him and dwell with him always

I patterned the Great Pyramid after the pyramid of Earth force, burning eternally so that it, too, might remain through the ages. In it I build my knowledge of "Magic Science" so that I might be

here when again I return from Amenti, while I sleep in the Halls of Amenti, my Soul roaming free will incarnate, dwell among men in this form or another. Hermes, Thrice-born)"

How Knowledge Connects with Wisdom

Wisdom

It's better to walk alone than with a crowd going in the wrong direction.

Rational K + IK + 3rd Eye = Wisdom

Rational Knowledge, the faithful servant mentioned by Einstein, is the first step we need to take to move towards our goal of wisdom. When we understand this, then and only then, we start using our right side of the brain, or the intuitive knowledge side. When both are combined is when we grow up and start to acquire WISDOM. Wisdom is power and is everlasting.

The Keys of Wisdom

I Thoth, the Atlantean, give you my wisdom, give of my knowledge, give of my power. Freely I give to the children of men. Given that they, too, might have wisdom to shine through the world from the veil of the night. Wisdom is power and power is wisdom, one with each other, perfecting the whole.

Be thou not proud, in your wisdom. Discourse with the ignorant as well as the wise. If one comes to thee full of knowledge, listen and heed, for wisdom is all. Keep thou not silent when evil is spoken for Truth like the sunlight shines above all.

He who overstepped the law shall be punished, for only through Law comes the freedom of men.

Follow thine heart during thy lifetime. Do thou more than is commanded of you. When you hast gained riches, follow thy heart, for all these are of no avail if thine heart be weary. Diminish you not the time of following your heart. It is abhorred by the soul.

They that are guided go not astray, but they that are lost cannot find a straight path.

If you go among men, make for thyself. Love, the beginning and end of the heart. If one cometh unto thee for council, let him speak freely, then the thing for which he hath come to thee may be done. If he hesitates to open his heart to thee, it is because you, the judge, does the wrong.

Repeat thou not extravagant speech, neither listen to it, for it is the utterance of one not in equilibrium. Speak not of it. So that he before you may know wisdom. Silence is of great profit. An abundance of speech profits nothing.

Exalt not thine heart above the children of men, lest it be brought lower than the dust.

If thou be great among men, be honored for knowledge and gentleness.

If you seek to know the nature of a friend, ask not his companion, but spend time alone with him. Debate with him, testing his heart by his words and his bearing.

That which goeth into the store-house must come forth, and the things that are thine must be shared with a friend.

Knowledge is regarded by the fool as ignorance, and the things that are profitable to him are hurtful. He lives in death. It is therefore his food.

The wise man lets his heart overflow but keeps silent his mouth.

Oh man, list to the voice of wisdom; list to the voice of light. Mysteries there are in the Cosmos that unveiled fill the world with their light. Let the show would be free from the bonds of darkness first divine the material from the immaterial, the fire from the earth; for know you that as earth descends to earth, so also fire ascends unto fire and becomes one with fire. He who knows the fire that is within himself shall ascend unto the eternal fire and dwell in it eternally.

Fire, the inner fire, is the most potent of all force., for it overcometh all things and penetrates all things of the Earth.

Man is a star bound to a body, until in the end he is freed through his strife. Only by struggle and toning thy utmost shall the star within thee bloom out in new life.

He who knows the commencement of all things, free is his star from the realm of night .
Remember, that all which exists is only another form of that which exists not. Everything that
has been is passing into yet other being and you thyself are not an exception.

Consider the Law, for all is Law. Seek not that which is not the Law, for such exists only in the
illusions of the senses. Wisdom cometh to all her children even as they cometh unto wisdom. All
through the ages, the light has been hidden. Awake!, and be wise.

Far beneath the earth crust, in the Halls of Amenti, mysteries I saw that are hidden from men.
Often have I journeyed to the deep hidden passage, looked on the Light that is Life among men.
There beneath the flowers of Life ever living, searched I the hearts and the secrets of men.
Found I that man is but living in darkness, light of the great fire is hidden within. 36:15

Before the Lords of Hidden Amenti learned I the wisdom I give unto men. Masters are they of
the great Secret Wisdom, brought from the future of infinity's end. Seven are they, the Lords of
Amenti, overlords they of the Children of Morning, Suns of the Cycles, Masters of Wisdom.
Formed are not they as the children of men? THREE, FOUR, FIVE, SIX, SEVEN, EIGHT, NINE
are the titles of the Masters of men.

Far from the future, formless yet forming, came they as teachers for children of men. Live they
forever, yet not of the living, bound not to life and yet free from death. Rule they forever with
infinite wisdom, bound yet not bound to the dark Halls of Death. Life they have in them , yet life
that is not life, free from all are the Lords of All.

Forth them came forth the Logos, instruments they of the power to all. Vast is their countenance,
yet hidden in smallness, formed by a forming, known yet unknown.

THREE holds the key of all hidden magic, creator he of the halls of the Dead; sending forth
power, shrouding with darkness, binding the souls of the children of men; sending the darkness,
binding the soul force; director of negative to the children of men.

FOUR is he who loses the power. Lord, he, of Life to the children of men. Light is his body,
flame is his countenance; freer of souls to the children of men.

FIVE is the master, the Lord of all magic - Key to the Word that resounds among men.

SIX is the Lord of Light., the hidden pathway, path of the souls of the children of men.

SEVEN is he who is Lord of the vastness, master of Space and the key of the Times.

EIGHT is he who orders the progress; weighs and balances the journey of men.

NINE is the father, vast he of countenance, forming and changing from out of the formless.

Meditate on these symbols I give you . Keys are they, though hidden from men.
Reach ever upward, Soul of the morning. Turn thy thoughts upward to Light and Life. Find in the
keys of the numbers I bring thee, light on the pathway from life unto life.
Seek with wisdom. Turn thy thoughts inward. Close not thy mind to the flower of light.

Place in thy body a thought-formed picture. Think of the numbers that lead thee to Life.

Clear is the pathway to he who has wisdom. Open the door to the Kingdom of Light
Pour forth thy flame as a Sun of the morning. Shut out the darkness and live in the day.
Take thee, o man! As part of thy being, the Seven who are but are not as they seem.
Opened O man, Have I my wisdom. Follow the path in the way I have led.

Masters of Wisdom,
SUN of the MORNING
Light and LIFE to the children of men.

Listen ye, O man, to the voice of wisdom, list to the voice of THOTH, The Atlantean. Freely I
give you of my wisdom, gathered from the time and space of this cycle; master of mysteries,
SUN of the morning, living forever, a child of the LIGHT, shining with brightness, stars for the
morning , Thoth the teacher of men, is of ALL.

Long time ago, I in my childhood, lay beneath the stars on long buried ATLANTIS, dreaming of
mysteries far above men. Then in my heart grew there a great longing to conquer the pathway
that led to the stars. Year after year, I sought after wisdom, seeking new knowledge, following
the way, until at last my SOULS, in great travail, broke from its bondage and bounded away.
Free was I from the bondage of earth men. Free from the body, I flashed through the night.
Unlocked at last for me was the star-space. Free was I from the bondage of night. Now to the
end of space sought I wisdom, far beyond knowledge of finite man.

Far into space, my SOUL traveled freely into infinity's circle of light. Strange, beyond knowledge,
were some of the planets, great and gigantic, beyond dreams of men. Yet found I Law, in all of
its beauty, working through and among them as here among men. Flashed forth my soul
through infinity's beauty, far through space I flew with my thoughts.
Rested I there on a planet of beauty. Strains of harmony filled all the air. Shapes there were,
moving in Order, great and majestic as starts in the night; mounting in harmony, ordered
equilibrium, symbols of the Cosmic, like unto Law.

Many the stars I passed in my journey, many the races of men on those worlds; some reaching
high as stars of the morning, some falling low in the blackness of light. Each and all of them
struggling upward, gaining the heights and plumbing the depths moving at times in realms of
brightness, living though darkness, gaining the Light.

Know, that light is thine heritage. Know that darkness is only a veil. Sealed in thine heart is brightness eternal, waiting for the moment of freedom to conquer, waiting to rend the veil of the night.

Some I found who had conquered the ether. Free of space were they while yet they were men. Using the force that is the foundation of ALL things, far in space constructed they a planet , drawn by the force that flows through the ALL; condensing, coalescing the ether into forms, that grew as they willed. Outstripping in science, they, all of the races, mighty in wisdom, sons of the stars.

Long time I paused, watching their wisdom. Say them create from out of the ether cities gigantic of rose and gold. Formed forth from the primal element, base of all matter , the ether far flung.

Far in the past, they had conquered the ether , freed themselves from the bondage of toil; formed in their mind only a picture and swiftly created, it grew.

Forth then, my soul sped , throughout the Cosmos, seeing ever, new things and old; learning that mad is truly space-born, a Sun of the Sun, a child of the stars.

Know ye, O man, whatever from ye inhabit, surely it is one with the stars. Thy bodies are nothing but planets revolving around their central suns. When ye have gained the light of all wisdom, free shall ye be to shine in the ether--one of the SUNs that light router darkness-- on of the space born grown into Light. Just as the stars in time lose their brilliance, light passing from them into the great source, so, O man, the soul passes onward, leaving behind the darkness of night.

Formed forth ye, from the primal ether. Filled with the brilliance that flows from the source, bound by the ether coalesced around, yet ever it flames until at last it is free. Lift up your flame from out of the darkness, fly from the night and ye shall be free. Traveled I through space-time, knowing my soul at last was set free, knowing that now might I pursue wisdom. Until at last, I passed to a plane, hidden from knowledge, known not to wisdom, extension beyond all that we know. Now when I had this knowing, happy my soul grew, for now I was free. Listen, you space-born, listen to my wisdom, know that you , too, will be free.

Listen ye again, o man, to my wisdom, that hearing too, might live and be free. Not of the earth are ye,-- earthy but child of the Infinite Cosmic Light.

Know ye not of your heritage? Know ye not ye are truly Light? Sun of the Great Sun, when ye gain wisdom, truly aware of your kinship with Light. Now, to you, I give Knowledge , freedom to walk the path I have trod, showing ye truly how by my striving, I trod the path that leads to the stars.

Hark ye, O man, and know of thy bondage, know how to free thyself from the toils. Out of the darkness shall you rise upward, one with the light and one with the stars. Follow ye ever the path of wisdom. Only by this can you rise from below. Ever man's destiny leads him onward into the Curves of Infinity's ALL.

Know that, all space is ordered. Only by Order are ye One with the ALL. Order and Balance are the Law of the Cosmos. Follow and ye shall be One with the ALL.

He who follows the pathway of wisdom, open must be he to the flower of life, extending his consciousness out of the darkness, flowing through time and space in the ALL. Deep in the silence, first ye must linger until at last ye are free from desire, free from the longing to speak in the silence. Conquer by silence, the bondage of words. Abstaining from eating until we have, we have conquered desire for food, that is bondage of soul. Then lie ye down in the darkness. Close your eyes from the rays of the Light.

Centre your soul-force in the place of thine consciousness, shaking it free from the bonds of the night. Place in thy mind-place the image of your desire. Picture the place you desire to see. Vibrate back and forth with thy power. Loosen the soul from out of its night. Fiercely must thou shake with all of thy power until at last thy soul shall be free.

Mighty beyond words is the flame of the Cosmic, hanging in planes, unknown to man; mighty and balanced, moving in Order, music of harmonies, far beyond man. Speaking with music, singing with color, flame from the beginning of Eternity's ALL.

Spark of the flame art thou, O my children, burning with color and living with music. List to the voice and thou shalt be free.

Consciousness free is fused with the Cosmic, One with the Order and Law of the ALL. Knew you not man, that out of the darkness, Light shall flame forth, a symbol of ALL.

Prayer.

Pray ye this prayer for attaining of wisdom. Pray for the coming of Light to the ALL.

Mighty SPIRIT of LIGHT that shines through the Cosmos,
draw my flame closer in harmony to thee,
Lift up my fire from out of the darkness,
magnet of fire that is One with the All.
Lift up my soul, thou mighty and potent.
Child of the Light, turn not away.
Draw me in power to melt in thy furnace;
One with all things and all things in One,
Fire of the life-strain and One with the Brain.

When ye have freed thy soul from its bondage, know that for ye the darkness is gone. Ever through space ye may seek wisdom, bound not be fetters forged in the flesh.

Onward and upward into the morning, free flash, O soul, to the realms of Light. Move thou in Order, move thou in Harmony, freely shalt move with the Children of Light. Seek ye and know ye, my KEY of Wisdom. Thus, ye shall surely be free.

Often dream I of buried Atlantis, lost in the ages that have passed into night. Aeon on aeon thou existed in beauty a light shining through the darkness of night.

Mighty in power, ruling ye earth-born, Lord of the Earth in Atlantis' day. King of the nations, master of wisdom, LIGHT through SUNTAL, Keeper of the way, dwelt in his TEMPLE, the MASTER of UAL, LIGHT of the Earth in Atlantis' day.

Master, HE, from a cycle beyond us, living in bodies as one among men. Not as the earth-born, HE from beyond us, SUN of a cycle, advanced beyond men.

Know ye, O man, that HORLET the Master, was never one with the children of men. Far in the past time when Atlantis first grew as a power, appeared there one with the KEY of WISDOM, showing the way of LIGHT to all.

Showed he to all men the path of attainment, way of Light that flows among men. Mastering darkness, leading the MAN-SOUL, upward to heights that were One with the Light.

Divided the Kingdoms, HE into sections. Ten were they, ruled by children of men. Upon another, built HE a TEMPLE, built not by the children of men.

Out of the ETHER called HE its substance, molded and formed by the power of YTOLAN into the forms HE built with His mind. Mile upon mile it covered the island, space upon space it grew in its might. Black, yet not black, but dark like the space-time, deep in its heart the ESSENCE of LIGHT. Swiftly the TEMPLE grew into being, molded and shaped by the WORD of the DWELLER, called from the formless into a form.

Built HE then, within it, great chambers, filled them with forms called forth from the ETHER , filled them with wisdom called forth by His mind.

Formless was HE within his TEMPLE, yet was HE formed in the image of men. Dwelling among them yet not of them, strange and far different was HE from the children of men.

Chose HE then from among the people, THREE who became his getaway. Choose HE the THREE from the Highest to become his links with Atlantis. Messengers they, who carried his council, to the kings of the children of men.

Brought HE forth others and taught them wisdom; teachers, they, to the children of men. Placed HE them on the island of UNDAL to stand as teachers of LIGHT to men.

Each of those who were thus chosen, taught must he be for years five and ten. Only thus could he have understanding to bring LIGHT to the children of men. Thus there came into being the Temple, a dwelling place for the Master of men.

I THOTH, have ever sought wisdom, searching in darkness and searching in Light,. Long in my youth I traveled the pathway, seeking ever new knowledge to gain. Until after much striving, one of the THREE, to me brought the LIGHT. Brought HE to me the Commands of the DWELLER, called me from the darkness into the LIGHT. Brought HE me , before the DWELLER, deep in the Temple before the great FIRE.

There on the great throne, beheld I, the DWELLER, clothed with the LIGHT and flashing with fire. Down I knelt before that great wisdom, feeling the LIGHT flowing through me in waves. Heard I then the voice of the DWELLER:"O darkness, come into light. Long have ye sought the pathway to LIGHT. Each soul on earth that loosens its fetters, shall soon be made free from the bondage of night. Forth from the darkness have ye arisen, closer approached the light of your goal. Here ye shall dwell as one of my children. Live thee here and drink of all wisdom. Secrets and mysteries unto thee shall unveil.

"Then answered I, the MASTER OF CYCLES, saying:"O light, that descended to men, give thou to me of thy wisdom that I might be a teacher of men. Give thou of thy LIGHT that I may be free"

Spoke then to me again, the MASTER:"Age after age shall ye live through your wisdom, Aye, when the Atlantis the ocean waves roll, holding the Light though hidden in darkness, ready to come when you thou shalt call. Go thee now and learn greater wisdom. Grow thou through LIGHT to Infinity's ALL"

Long dwelt I in the Temple of the DWELLER until at last I was One with the LIGHT.

The Fall of Atlantis.

Light there was in ancient ATLANTIS. Yet, darkness, too, was hidden in all. Fell from the Light into the darkness, some who had risen to heights among men. Proud they became because of their knowledge, proud were they of their place among men. Deep delved they into the forbidden, opened the gateway that led to below. Sought they to gain ever more knowledge but seeking to bring it up from below.

He who descends below must have balance, else he is bound by lack of our Light. Opened, they then, by their knowledge, pathways forbidden to man.

But, in His Temple, all-seeing, the DWELLER, lay in his AGWANTI, while through Atlantis, His soul roamed free. Saw HE the Atlanteans, by their magic, opening the gateway that would bring to Earth a great woe. Fast fled His soul then, back to His body. Up HE arose from His AGWANTI. Called HE the Three mighty messengers. Gave the commands that shattered the world.

Deep beneath Earth's crust to the HALLS of AMENTI, swiftly descended the DWELLER. Called HE then on the powers the Seven Lords wielded; changed the Earth's balance. Down sank Atlantis beneath the dark waves.

Shattered the gateway that had been opened; shattered the doorway that led down below. All of the islands were shattered except UNAL, and part of the island of the sons of the DWELLER. Preserved HE them to be the teachers. Lights on the path for those to come after, Lights for the lesser children of men. 54:03

Called HE then, I THOTH, before him, gave me commands for all I should do, saying:
"Take thou, O THOTH, all of your wisdom. Take all your records, Take all your magic. Go thou forth as a teacher of men. Go thou forth reserving the records until in time LIGHT grows among men. LIGHT shalt thou be all through the ages, hidden yet found by enlightened men. Over all Earth, give WE ye power, free thou to give or take it away. Gather thou now the sons of Atlantis. Take them and flee to the people of the rock caves. Fly to the land of the Children of KHEM."

Then gathered I the sons of Atlantis. Into the spaceship I brought all my records, brought the records of sunken Atlantis. Gathered I all of my posers, instruments of mighty magic.

UP then we rose on wings of the morning. High we arose above the Temple, leaving behind the Three and DWELLER, deep in the HALLS beneath the temple, closing the pathway to the LORDS of the CYCLES. Yet ever to him who was knowing, open shall be the path to AMENTI.

Fast flew we then on the wings of the morning, fled to the land of the children of KHEM. There by my power conquered and ruled them. Raised I to LIGHT, the children of KHEM.

Deep beneath the rocks, I buried my spaceship, waiting the time when man might be free. Over the spaceship, erected a marker in the form of a lion yet like unto man. There beneath the image rests yet my spaceship, forth to be brought when need shall arise.

Know ye, O man, That far in the future, invaders shall come from out of the deep. Then awake, ye who have wisdom. Bring forth my ship and conquer with ease.

Deep beneath the image lies my secret. Search and find in the pyramid I built. Each to the other is the Keystone; each the gateway that leads into LIFE. Follow the KEY I leave behind me. Seek and the doorway to LIFE shall be thine. Seek thou in my pyramid, deep in the passsafe that ends in a wall. Use thou the KEY of the SEVEN, and open to thee the pathway will fall.

No unto thee I have given my wisdom. Now unto thee I have given my way. Follow the pathway. Solve thou my secrets. Unto thee I have shown the way.

Hark ye, O man, to the wisdom of magic. Hark the knowledge of powers forgotten. Long ago in the days of the first man, warfare began between darkness and light. Men then as now, were filled with both darkness and light; and while in some darkness held sway, on other light filled the soul.

Aye, age old in this warfare, the eternal struggle between darkness and light. Fiercely is it fought all through the ages, using strange powers hidden to man.

Adepts has there been filled with the blackness, struggling always against the light; but others there are who, filled with brightness, have ever conquered the darkness of night. Where 'er ye may be in all ages and plane, surely, ye shall know of the battle with night. Long ages ago, The SUNS of the Morning descending, found the world filled with night, there in that past, began the struggle, the age old Battle Darkness & Night.

Many in the time were so filled with darkness that only feebly flamed the light from the night.

Some they were, masters of darkness who sought to fill all with their darkness: Sought to draw others into their night. Fiercely withstood they, the masters of rightness: fiercely fought they from the darkness of night. Sought ever to tighten the fetters, the chains that bind men to the darkness of night. Used they always the dark magic, brought into men by the power of darkness; magic that enshrouded man's soul with darkness.

Banded together as in order, BROTHERS OF DARKNESS, they through the ages, antagonist they to the children of men. Walked they always secret and hidden, found, yet not found by the children of men. Forever, they walked and worked in darkness, hiding from the light in the darkness of night. Silently, secretly use they their power, enslaving and binding the soul of men.

Unseen they come, and unseen they go. Man, in his ignorance calls THEM from below.

Dark is the way of the DARK BROTHERS travel., dark of the darkness not of the night, traveling the Earth they walk through man's dreams. Power they have gained from the darkness around them to call other dwellers from out of their plane, in ways that are dark and unseen by man. Into man's mind-space reach the DARK BROTHERS. Around it, they close the veil of the night. There through its lifetime that soul dwells in bondage, bound by the fetters of the VEIL of the night. Mighty are they in the forbidden knowledge, forbidden because it is one with the night.

Hayk ye O old man and list to my warning: be ye free from the bondage of night. Surrender not your soul to the BROTHERS OF DARKNESS. Keep they face ever turned towards the Light. Know ye not, O man, that your sorrow, only has come through the Veil of the night. Aye man, hear ye my warning: strive ever upward, turn your soul toward the LIGHT. The BROTHERS OF DARKNESS seek for their brothers those who traveled the pathway of LIGHT. For well know they that those who have traveled far towards the Sun in their pathway of LIGHT have great and yet greater power to bind with darkness the children of LIGHT.

List ye, O man, he who comes to you. But weigh in the balance if his words be of LIGHT. For many there are who walk in DARK BRIGHTNESS and yet are not the children of LIGHT. Easy is to follow their pathway, easy to follow the path that they lead. But yet O man, heed ye my warning; Light comes only to him who strives. Hard is the pathway that leads to the WISDOM, hard is the pathway that leads to the LIGHT. Many shall ye find, the stones in your pathway: many the mountains to climb toward the LIGHT. Yet know ye, O man, to him that overcometh, free will be of the pathway of Light. For ye know, O man, in the END light must conquer and darkness and night be banished from Light.

Listen, O man, and heed ye this wisdom; even as darkness, so is the LIGHT.

When darkness is banished, and all Veils are rendered, out there shall flash from the darkness, the LIGHT.

Even as exist among men the DARK BROTHERS, so there exists the BROTHERS OF LIGHT. Antagonists they of the BROTHERS OF DARKNESS, seeking to free men from the night. Powers have they, mighty and potent. Knowing the LAW, the planets obey. Work they ever in harmony and order, freeing the man-soul from its bondage of night. Secret and hidden, walk they also. Known not are they to the children of men. Ever have THEY fought the DARK BROTHERS, conquered and conquering time without end. Yet always LIGHT shall in the end be master, driving away the darkness of night.

Aye, man, know ye this knowing: always beside thee walk the Children of Light.

Masters they of the SUN power, ever unseen yet the guardians of men. Open to all is their pathway, open to he who will walk in the LIGHT. Free are THEY of DARK AMENTI, free of the HALLS, where LIFE reigns supreme. SUNS are they and LORDS of the morning, Children of Light to shine among men. Like man are they and yet are unlike. Never divided were they in the past. One have they been ONENESS eternal, throughout all space since the beginning of time. Up did they come in Oneness with the ALL ONE, up from the first-space, formed and unformed.

Given to man have they secrets that shall guard and protect him from all harm. He who would travel the path of the master, free must he be from the bondage of night. Conquer must he the formless and shapeless, conquer must he the formless and shapeless, conquer must he the phantom of fear. Knowing, must he gain of all of the secrets, travel the pathway that leads from the darkness, yet ever before him keep the light of his goal. Obstacles great shall he meet in the pathway, yet press on to the light of the SUN.

Hear ye, O man, the SUN is the symbol of the LIGHT that shines at the end of their road. Now to thee give I the secrets: now to meet the dark power, meet and conquer the fear from the night. Only by knowing can ye conquer, only by knowing can ye have LIGHT.

Now I give unto thee the knowledge, known to the MASTERS, the knowing that conquers all the dark fears. Use this, the wisdom I give thee. MASTER thou shalt be of THE BROTHERS OF NIGHT.

When unto thee comes a feeling, drawing thee nearer to the darker gate, examine thine heart and find if the feeling thou hast has come from within. If thou shalt find the darkness thine own thoughts, banish them forth from the place in thy mind. Send through thy body a wave of vibration, irregular first and regular second, repairing time after time until free. Start the WAVE FORCE in thy BRAIN CENTER. Direct it in waves from thine head to thy foot.

But if thou findest thine heart not darkened, be sure that a force is directed to thee. Only by knowing can thou overcome it. Only by wisdom can thou hope to be free. Knowledge brings wisdom and wisdom is power. Attain and ye shall power over them all.

Know ye , O man, that when ye have done this, ye shall be free from the fetters that bind ye, cast off the bondage of the brothers of night. See ye not that the names have the power to free by vibration the fetters that bind? Use them at need to free thou thine brother so that he, too, may come forth from the night.

Thou, O man, art thy brother;s helper. Let him not lie in the bondage of night. Now unto thee, give I my magic. Take it and dwell on the pathway of LIGHT. LIGHT unto thee, LIFE unto thee, SUN may thou be on the cycle above.

The Seven Lords

Hark ye O man, and listen to my Voice. Open thy mind-space and drink of my wisdom. Dark is the pathway of LIFE that ye travel. Many the pitfalls that lie in thy way. Seek ye ever to gain greater wisdom. Attain and it shall be light on thy way.

Open thy SOUL, O man, to the Cosmic and let it flow in as one with thy SOUL. LIGHT is eternal, and darkness is fleeting. Seek ye ever, O man, for the LIGHT. Know ye that ever as Light fills thy being, darkness for thee shall soon disappear.

Open thy souls to the BROTHERS OF BRIGHTNESS. Let them enter and fill thee with LIGHT. Lift up thine eyes to the LIGHT of the Cosmos. Keep thou ever thy face to the goal. Only by gaining the light of all wisdom, art thou one with the Infinite goal. Seek ye ever to Oneness eternal. Seek ever the Light of the goal.

Light is infinite, and Light is finite, separated only by darkness in man. Seek ye to rend the Veil of the Darkness. Brin thou together the Light into One.

Hear ye, O man, list to my Voice singing the song of Light and of Life. Throughout all space, Light is prevalent, encompassing ALL with its banners of flames. Seek ye forever in the veil of the darkness, somewhere ye shall surely find Light. Hidden and buried, lost to man's knowledge, deep in the finite the Infinite exists. Lost, but existing, flowing through all things, living in ALL is the INFINITE BRAIN. In all space, there is only ONE wisdom. Though seeming divided, it is ONE in the ONE. All that exists comes forth from the LIGHT, and the LIGHT comes forth from the ALL.

Everything created is based upon ORDER: LAW rules the space where the INFINITE dwells. Forth from equilibrium came the great cycles, moving in harmony toward Infinity's end.

Know ye, O man, that far in the space-time, INFINITY itself shall pass into change. Hear ye and list to the Voice of Wisdom: Know that ALL is of ALL evermore. Know that through time thou may pursue wisdom and find ever more light on the way. Aye, thou shall find that ever receding, thy goal shall elude thee from day unto day.

Long time ago, in the HALLS OF AMENTI, I, Thoth, stood before the LORDS of the cycles. Mighty, THEY in their aspects of power; mighty, THEY in the wisdom unveiled.

Led by the Dweller, first did I see them. But afterwards free was I of their presence, free to enter their conclave at will. Oft did I journey down the dark pathway unto the HALL where the LIGHT ever glows.

Learned I of the Masters of cycles, wisdom brought from the cycles above us, knowledge brought from Infinity's All. Many the questions I asked of the Lords of the cycles. Great was the wisdom they gave unto me. Now unto thee I give of this wisdom, drawn from the flame of Infinity's fire.

Deep in the Dark Halls sit the Seven, units of consciousness from cycles above. Manifest THEY is this cycle as guides of man to the knowledge of ALL. Seven are they, mighty in power, speaking these words through me to men. Time after time, stood I before them listening to words that came not with sound.

Once said THEY unto me: "O man, wouldst thou gain wisdom? Seek for it in the heart of the flame. Wouldst thou gain knowledge of power? Seek ye it in the heart of the flame. Wouldst be one with the heart of the flame? Seek then within thine own hidden flame."

Many times they spoke THEY to me, teaching me wisdom not of the world; showing me ever new paths to brightness; teaching me wisdom brought from above. Giving knowledge of operation, learning of LAW, the order of ALL.

Spoke to me again, the Seven, saying: "From far beyond time are WE, come, O man, Traveled WE from beyond SPACE-TIME, aye, from the place of Infinity's end. WHEN ye and all of thy brethren were formless, formed forth were WE from the order of ALL. Not as men are WE,

though once WE, too, were as men. Out of the Great Void were WE formed forth in order by LAW. For now ye that which is formed truly is formless, having form only to thine eyes.

And again, unto me spoke the Seven, saying:”Child of the LIGHT, O THOTH, art thou, free to travel the bright path upward until at last ALL ONES become ONE.

Forth were WE formed after our order: THREE, FOUR, FIVE, SIX, SEVEN, EIGHT and NINE. Know ye that these are the numbers of cycles that WE descend from unto man. Each having here a duty to fulfill;each having here a force to control. Yet are we ONE with the SOUL of our cycle. Yet are WE, too, seeking a goal. Far beyond man’s conception, Infinity extends into a greater than ALL. There, in a time that is yet not a time, we shall ALL become ONE with a greater than ALL. Time and space are moving in circles--pass the guardians that dwell at the door.

Then to me spoke HE of NINE saying;”Aeons and aeons have I existed, knowing not LIFE and tasting not death. For know ye. O man that far in the future, life and death shall be one with the ALL. Each so perfected by balancing the other that neither exists in the Oneness of ALL. In men of this cycle, the life force is rampant, but life in its growth becomes one with them ALL. Here, I manifest in this your cycle, but yet am I there in your future of time.Yet to me, time exists not, for in my world time exist not, for formless are WE. Life have WE not but yet have existence, fuller and greater and freer than thee.

Man is a flame bound to a mountain, but WE in our cycle shall ever be free. Know ye, O man, that when ye have progressed into the cycle that lengthen above, life itself will pass to the darkness and only the essence of Soul shall remain”

Then to me spoke the LORD of the EIGHT saying;”All that ye know is but part of little. Not as yet have ye touched in the Great. Far out in space there LIGHT reigns supreme, came I into the LIGHT. Formed was I also but not as ye are.

Body of Light was my formless form. Know I not LIFE and know I not DEATH, yet master am I of all that exists. Seek ye to find the path through the barriers. Travel the road that leads to the LIGHT.

Spoke again to me the NINE saying:”Seek ye to find the path to beyond. Not impossible is it to grow to a consciousness above. For when TWO have become ONE and ONE has become the ALL, know ye the barrier has lifted, and ye are made free of the road. Grow thou from form to formless. Free may thou be of the road”.

Thus, through ages I listened, learning the way to the ALL. Now Lift I my thoughts to the ALL-THING. List ye and hear when it calls.”O LIGHT, all with ALL and ALL with ONE, flow thou to me through the channel. Enter thou so that I may be free. Make me One with the ALL-SOUL,

shining from the blackness of night. Free let me be of all space-time, free from the Veil of the night. I, a child of LIGHT , command: Free from the darkness to be”

Formless am I to the Light-Soul, formless yet shining with light. Know I the bonds of the darkness must shatter and fall before light.

Now give I this wisdom. Free may ye be, O man, living in light and in brightness. Turn not thy face from the Light. Thy soul dwells in realms of brightness. Ye are a child of the Light.

Turn thy thoughts inward not outward. Find thou the Light-Soul within. Know that thou art the MASTER. All else is brought from within. Grow thou to realms of brightness. Hold thou thy thought on the Light. Know thou art one with the Cosmos, a flame and a Child of the Light.

Now to thee gave I warning: Let not the thought turn away. Know that the brightness flows though thy body for aye. Turn not to the DARK-BROTHERS that come from the BROTHERS OF BLACK. But keep thine eyes ever lifted soul in tune with the Light.

Take ye this wisdom and heed it. Listen to my Voice and obey. Follow the pathway to brightness, and thou shall be ONE with the way.

The Key of Mystery

Unto thee, O man, have I given my knowledge. Unto thee have I given of Light. Hear ye now and receive my wisdom brought from space planes and beyond.

Not as man am I for free have I become of dimensions and planes. In each, take I on a new body. In each I change in my form. Know I now that the formless is all there is of form.

Great is the wisdom of the Seven. Mighty are THEY from beyond. Manifest THEY through their power, filled by force from beyond.

Hear ye there words of wisdom. Hear ye and make them thine own. Find in them the formless. Mystery is but hidden knowledge. Know and ye shall unveil. Find the deep buried wisdom and be master of darkness and Light.

Deep are the mysteries around thee, hidden the secrets of Old. Search through the KEYS of my WISDOM. Surely shall ye find the way. The gateway to power is secret, but he who attains shall receive. Look to the LIGHT! O my brother. Open and ye shall receive. Press on through the valley of darkness. Overcome the dweller of night. Keep ever thine eyes of the LIGHT-PLANE, and thou shalt be One with the LIGHT.

Man is in process of changing to forms that are not of this world. Grows he is time to the formless, a plane on the cycle above. Know ye, ye must become formless before ye are with the LIGHT.

List ye, O man, to my voice, telling of pathways to Light, showing the way of attainment when ye shall be One with the Light. Search ye the mysteries of Earth's heart. Learn of the LAW that exists, holding the stars in their balance by the force of the primordial mist. Seek ye the flame of the EARTH'S LIFE. Bath in the glare of its flame. Follow the three-cornered pathway until thou, too, art a flame.

Speak you in words without voice to those who dwell down below. Enter the Blue-litten temple and bathe in the fire of all life.

Know, O man, thou art complex, a being of earth and of fire. Let thy flame shine out brightly. Be thou only the fire.

Wisdom is hidden in darkness. When lit by the flame of the Soul, find thou the wisdom and be LIGHT-BORN, a Sun of the Light without form. Seek thee ever more wisdom. Find it in the heart of the flame. Know that only by striving and Light pour into thy brain. Now have I spoken with wisdom. List to my Voice and obey. Tear open the Veils of the darkness. Shine a LIGHT on the WAY.

Speak I of Ancient Atlantis, speak of the days of the Kingdom of Shadows, speak of the coming of the children of shadows. Out of the great deep were they called by the wisdom of earth-men, called for the purpose of gaining great power.

Far in the past before Atlantis existed, men there were who delved into darkness, using dark magic, calling up beings from the great deep below us. Forth came they into this cycle. Formless were they of another vibration, existing unseen by the children of earth-men. Only through man could they live in the world.

In ages past were they conquered by Masters, driven below to the place where they came. But some there were who remained, hidden in spaces and planes unknown to man. Lived they in Atlantis as shadows, but at many times they appeared among men. Aye, when the blood was offered, for they came to dwell among men.

In the form of man moved they amongst us, but only to sight were they as are men. Serpent-headed when the glamor was lifted but appearing to man as men among men. Crept they into the Councils, taking forms that were like unto men. Slaying by their arts the chiefs of the kingdoms, taking their form and ruling over man. Only by magic could they be discovered. Only by sound could their faces be seen. Sought they from the Kingdom of shadows to destroy man and rule in his place.

But, know ye, the Masters were mighty in magic, able to lift the Veil from the face of the serpent, able to send him back to his place. Came they to man and taught him the secret, the WORD that only a man can pronounce. Swift then they lifted the Veil from the serpent and cast him forth from the place among men.

Yet, beware, the serpent still liveth in a place that is open at times to the world. Unseen they walk among thee in places where the rites have been said. Again as time passes onward shall they take the semblance of men.

Called may they be by the master who knows the white or the black, but only the white master may control and bind them while in the flesh.

Seek not the kingdom of shadows, for evil will surely appear. For only the master of brightness shall conquer the shadow of fear.

Know ye, O my brother, that fear is an obstacle great. Be master of all in the brightness, the shadow will soon disappear. Hear ye and heed my wisdom, the voice of LIGHT is clear. Seek not the valley of shadow, and LIGHT will only appear.

Listen ye, O man, to the depth of my wisdom. Speak I of knowledge hidden from man. Far have I been on my journey through SPACE-TIME, even to the end of space of this cycle. Aye, glimpse the HOUNDS of the Barrier, lying in wait for he who would pass them. In that space where time exists not, faintly I sensed the guardians of cycles. Move they only through angles. Free are they not of the curved dimensions.

Strange and terrible are the HOUNDS of the Barrier. Follow they consciousness to the limits of space. Think not to escape by entering your body, for follow they fast the Soul through the angles. Only the circle will give you protection, save from the claws of the DWELLERS IN ANGLES.

Once, in a time past, I approached the great Barrier, and saw on the shores where time exists not, the formless forms of the HOUNDS of the barrier. Aye, hiding in the midst beyond time I found them; and THEY, scenting me afar off, raised themselves and gave the great bell cry that could be heard from cycle to cycle and moved through space toward by soul.

Fled I then fast before them, back from time's unthinkable end. But ever after me pursued they, moving in strange angles not known to man. Aye, on the gray shores of TIME-SPACE'S end found I the HOUNDS of the Barrier, ravening for the Soul who attempts the beyond. Fled I through circles back to my body. Fled, and fast after me they followed.

Aye, after me the devourers followed, seeking through angles to devour my Soul. Aye, know ye man, that the Soul who dares the Barrier may be held in bondage by the HOUNDS from beyond time, held till this cycle is completed and left behind when the consciousness leaves.

Entered I my body. Created the circles that know not angles, created the form that from my form was formed. Made my body into a circle and lost the pursuers in the circles of time. But, even yet, when free from my body, cautious ever must I be not to move through angles, else my soul may never be free.

Know ye, the HOUNDS of the Barrier move only through angles and never through curves of space.

Only by moving through curves can ye escape them, for in angles they will pursue thee. O man, heed ye my warning: Seek not to break open the gate to beyond. Few there are who have succeeded in passing the Barrier to the greater LIGHT that shines beyond. For know ye, ever the dwellers, seek such Soul to hold in their thrall.

Listen, O man, and heed ye my warning; seek ye to move not in angles but curves. And if while free from thy body, though hearest the sound like the bay of a hounding ringing clear and bell-like through thy being, flee back to thy body through circles, penetrate not the mist before.

When thou hath entered the form thou hast dwelt in, use you the cross and the circle combined. Open thy mouth and use thou thy Voice. Utter the WORD and thou shalt be free. Only the one who of LIGHT has the fullest can hope to pass by the guards of the way. And then must he move through strange curves and angles that are formed in the direction now known to man.

Listen, O man, and heed ye my warning: Attempt not to pass the guards on the way. Rather ye seek to gain of thine own Light and make thyself ready to pass on the way.

LIGHT is thine ultimate end. O my brother. Seek and find ever the Light on the way.

The Key of Freedom of Space

List ye, O man, hear ye my voice, teaching of Wisdom and light in this cycle; teaching ye how to banish the darkness, teaching ye how to bring Light in thy life.

Seek ye, O man, to find the great pathway that leads to eternal LIFE as a SUN. Draw ye away from the veil of the darkness. Seek to become a Light in the world. Make of thyself a vessel for Light, a focus for the Sun of this space.

Lift thou thine eyes to the Cosmos. Lift thou thine eyes to the Light. Speak in the words of the Dweller, the chant that calls down the Light. Sing thou the song of freedom. Sing thou the song for the Soul. Create the high vibration that will make thee One with the Whole. Blend all thyself with the Cosmos.

Grow into ONE with the LIGHT. Be thou a channel of order, a pathway of LAW to the world.

Thy LIGHT, O man, is the great LIGHT, shining through the shadow of flesh. Free must thou rise from the darkness before thou art One with the LIGHT.

Shadows of darkness surround thee. Life fills thee with its flow. But know, O man, thou must arise and forth thy body go far to the planes that surround thee and yet are One with thee, too.

Look all around thee, O man, See thine own light reflected. And, even in the darkness around thee, thine own Light pours forth through the veil.

Seek thou for wisdom always. Let not thine body betray. Keep in the path of the Light wave. Shun thou the darkened way. Know thee that wisdom is lasting. Existing since the ALL-SOUL began, creating harmony from by the Law that exists in the WAY.

Listen, ye, O man, the teachings of wisdom. Listen to the voice that speaks of the past-time. Aye, I shall tell thee knowledge forgotten, tell ye of wisdom hidden in past-time, lost in the midst of darkness around me.

Know ye, man, ye are the ultimate of all things. Only the knowledge of this is forgotten, lost when man was cast into bondage, bound and fettered by the chains of the darkness.

Long, long ago, I cast off my body. Wandered I free through the vastness of ether, circled the angles that hold man in bondage. Know ye, O man, ye are only a spirit. The body is nothing. The Soul is ALL. Let not your body be a fetter. Cast off the darkness and travel in light Cast off your body, O man, and be free, truly a Light that is ONE with the Light.

When ye are free from the fetters of darkness and travel in space as the SUN of the LIGHT, then ye shall know that space is not boundless but truly bounded by angles and curves. Know ye, O man, that all that exists is only an aspect of the greater things yet to come. Matter is fluid and flows like a stream, constantly changing from one thing to another.

All through the ages has knowledge existed; never been changed, though buried in darkness; never been lost, though forgotten by man.

Know ye that throughout the space that ye dwell in are others as great as your own, interlaced through the heart of your matter yet separate in space of their own.

The key to worlds within thee are found only within. For man is the gateway of mystery and the key that is One with the One.

Seek ye within the circle. Use the WORD I shall give. Open the gateway within thee, and surely thou, too, shall live. Man, ye think that ye liveth, but know it is life within death. For as sure as ye

are bound you your body, for you no life exists. Only the Soul is space-free, has life that is really a life. All else is only a bondage, a fetter from which to be free.

Think not that man is earth-born, though come from the earth he may be. Man is a light-born spirit. But, without knowing, he can never be free. Darkness surrounds the light-bron. Darkness fetters the Soul. Only the one who is seeking may ever hope to be free.

Shadows around thee are falling, darkness fills all the space. Shine forth, O LIGHT of the man-soul. Fill thou the darkness of space. Ye are Sun of the GREAT LIGHT, Remember and ye shall be free. Stay not thou in the shadows. Spring forth from the darkness of nigh. Light, let thy Soul be, O SUN-BORN, filled with glory of light, freed from the bonds of darkness, a Soul that is One with the Light.

Thou art the key to all wisdom. Within thee is all time and space. Live not in bondage to darkness. Free thou, thy Light-form from night.

“Great Light that fills all the Cosmos, flow thou fully to man. Make of this body a light-torch that shall never be quenched among men”

Long in the past, sought I wisdom, knowledge not known to man. Far to the past, I traveled into space where time began. Sought I ever knew knowledge to add to the wisdom I knew. Yet only, I found, did the future hold the key to the wisdom I sought.

Down, to the HALLS of AMENTI I journeyed, the greater knowledge to seek. Ask of thee, LORDS of the CYCLES, they way to the wisdom I sought. Asked the LORDS this question: Where is the source of ALL? Answered, in tones that were mighty, the voice of the LORD of the NINE: Free thou thy soul from thy body and come forth with me to the LIGHT.

Forth I came from my body, a glittering flame in the night. Stood I before the LORD, bathed in the fire of LIFE. Seized was I then by a force, great beyond knowledge of man. Cast was I to the Abyss through spaces unknown to man.

Saw I the moldings of Order from the chaos and angles of night. Saw I the LIGHT, spring from Order and heard the voice of the Light. Say I the flame of the Abyss, casting forth Order and Light. Say Order spring out of chaos. Saw Light giving forth Life.

Then heard I the voice.”Hear thou and understand. The flame is the source of all things, containing all things in potentiality. The Order that sent forth light is the WORD and from the WORD, COME LIFE and the existence of all. And again spoke the voice saying: THE LIFE in thee is the WORD. Find thou the LIFE within thee and have powers to use of the WORD.

Long I watched the Light-flame, pouring forth from the Essence of Fire, realizing that LIFE but Order and that man is one with the fire.

Back I came to my body stood again with the Nine, listened to the voice of the Cycles, vibrate with powers they spoke: "Know ye, O Thoth, that LIFE is but thee WORD of the FIRE. The LIFE forth ye seek before thee is but the WORD in the world as a fire. Seek ye the path to the WORD and Powers shall surely by thine."

Then asked I of the Nine: "O Lord, show me the path. Give the path to wisdom. Show me the way to the WORD." Answered, me then, the LORD OF THE NINE: "Through ORDER, ye shall find the way. Saw ye that the WORD came from Chaos? Saw ye not that LIGHT came from FIRE? Look in thy life for this order. Balance and order thy life. Quell all the Chaos of the emotions and thou shalt have order in LIFE. ORDER brought forth from Chaos will bring thee the WORD of the SOURCE, will thee the power of CYCLES, and make of the Soul a force that freewill extend through the ages, a perfect SUN from the Source."

Listened I to the voice and deep sank the words in my heart. Forever have I sought for order that I might draw on the WORD. Know ye that he who attains it must ever in ORDER be for use of the WORD though this order has never and can never be.

Take ye these words, O man. As part of thy life, let them be. Seek thee to conquer this order and One with the WORD thou shalt be.

Put forth thy effort in gaining LIGHT on the pathway of Life. Seek to be One with the SUN/State. Seek to be solely the LIGHT. Hold thou thy thought on the Oneness of Light with the body of man. Know that all is Order from Chaos born into light.

The Key of Time.

Listen ye, O Man. Take my wisdom. Learn of the deep hidden mysteries of space. Learn of the THOUGHT that grew in the abyss, bringing Order and Harmony in space.

Know ye, O man, that all exists only because of the LAW. Know ye the LAW and ye shall be free, never be bound by the fetters of night.

Far, through strange spaces, have I journeyed into the depth of the abyss of time, learning strange and yet stranger mysteries, until in the end all was revealed. Know ye that mystery is only mystery when it is knowledge unknown to man.

When ye have plumbed the heart of all mystery, knowledge and wisdom will surely be thine.

Seek ye and learn that TIME is the secret whereby ye may be free of this space.

Long have I, THOTH, sought wisdom;aye, and shall seek of eternity's end for know that ever before me receding shall move the goal I seek to attain. Even the LORDS of the CYCLES know that not yet have THEY reached the goal, for with all of their wisdom, they know that TRUTH ever grows.

Once, in a past time, I spoke to the Dweller. Asked of the mystery of time and space. Asked him the question that surged in my being, saying:O Master, what is time?

Then to me spoke HE, the Master:"Know ye, O Thoth, in the beginning there was VOID and nothingness, a timeless, spaceless, nothingness. And into nothingness came a thought, purposeful, all-pervading, and it filled the VOID. There existed no matter, only force, a movement, a vortex, or vibration of the purposeful thought that filled the VOID"

And I questioned the Master saying:"Was this thought eternal? And answered me the DWELLER, Saying:In the beginning, there was eternal thought, and for thought to be eternal, time must exist. So into the all-pervading thought grew the LAW of TIME. Aye time which exists through all space, floating in a smooth, rhythmic movement that is eternally in a state of fixation. Time changes not, but all things change in time. For time is the force that holds events separate, each in its own proper place. Time is not in motion, but ye move through time as your consciousness moves from one event to another. Aye, by time yet exist, all in all, an eternal ONE existence. Know ye that even though in the time ye are separate, yet still are ONE, in all times existent. Ceased then the voice of the DWELLER and departed I to ponder on time. For knew I that in these words lay wisdom and a way to explore the mysteries of time.

Oft did I ponder the words of the DWELLER. Then sought I to solve the mystery of time. Found I that time moves through strange angles. Yet only by curves could I hope for the key that would give me access to the time-space. Found I that only by moving upward and yet again by moving to right-ward could I be free from the time movement.

Forth I came from out of my body, moved in the movements that changed me in time. Strange were the sights I saw in my journeys, many the mysteries that opened to view. Aye, say I man's beginning, learned from the past that nothing is new.

Seek ye, O man, to learn the pathway that leads through the spaces that are formed forth in time.

Forget not, O man, with all of them seeking that Light is the goal ye shall seek to attain. Search ye for the Light on thy pathway and ever for thee the goal shall endure. Let not thine heart turn ever to darkness. Light let thine Soul be, a Sun on the way. Know ye that eternal brightness, ye shall ever find thy Soul hid in Light, never fettered by bondage or darkness, ever it shines forth a Sun of the Light.

Aye, know, though hidden in darkness, your Soul, a spark of the true flame, exists. Be ye One with the greatest of all Lights. Find at the SOURCE, the END of thy goal.

Light is life, for without the great Light nothing can ever exist. Know ye, that in all formed matter, the heart of Light always exists. Aye, even though bound in the darkness, inherent Light always exist.

Once I stood in the HALLS of AMENTI and heard the voice of the LORDS of AMENTI, saying in tones that rang though the silence, words of power, might and potent. Chanted they the song of the cycles, the words that open the path to beyond. Aye, I saw the great path opened and looked for the instant into the beyond. Saw I the movements of the cycles, vast as the thought of the SOURCE could convey.

Knew I then even Infinity is moving on to some unthinkable end. Saw I that the Cosmos is Order and part of a movement that extends to all space, a party of an Order or Orders, constantly moving in a harmony of space. Saw I the wheeling of cycles like vast circles across the sky. Knew I then that all that has been growing to meet yet another being in a far-off grouping of space and time. Knew I then that in Words are power to open the planes that are hidden from man. Aye, that even in Words lies hidden the key that will open above and below.

Hark ye, now man, this word I leave with thee. Use it and ye shall find power in its sound. Say ye the word: "ZIN-URU" and power ye shall find. Yet must ye understand that man is of Light and Light is of man.

List ye, O man, and hear a mystery stranger than all the lies beneath the Sun. Know ye, O man, that all space is filled by worlds; aye, one within the other yet separate by Law.

Once my search for deep buried wisdom, I opened the door that bars THEM from man. Called I from the other planes of being, one who was fairer than the daughters of men. Aye, I called her from out of the spaces, to shine as a Light in the world of men.

Used I the drum of the Serpent. Wore I the robe of the purple and gold. Placed on my head, I, the crown of Silver. Around me the circle of cinnabar shone. Raised I my arms and cried the invocation that opens the path to the planes beyond, cried to the LORDS of the SIGNS in their houses: "Lords of the two horizons, watchers of the treble gates, stand ye One at the right and One at the left as the STAR rises to his throne and rules over his sign. Aye, thou dark prince of ARULU, open the gates of the dim, hidden land and release her whom ye keep imprisoned.

Hear ye, hear ye, hear ye, dark Lords and Shining ones, and by their secret names, names which I know and can pronounce, hear ye and obey my will.

Lit I then with flame my circle and called HER in the space-planes beyond. Daughter of Light return from ARULU. Seven times and seven times have I passed through the fields. Food have I

not eaten. Water have I not drunk. I call thee from ARULU, from the realms of EKERSHEGAL. I summon thee, Lady of Light.

Then before me rose the dark figures;aye, the figures of the Lords or Arulu. Parted they before me and forth came the Lady of Light. Free was she now from the LORDS of the night, free to live in the Light of the earth Sun, free to live as a child of the Light.

Hear ye and listen, O my children. Magic is knowledge and only is Law. Be not afraid of the power within thee for it follows Law as the stars in the sky.

Know ye that to be without knowledge, wisdom is magic and not of the Law. But know ye that ever ye by your knowledge can approach closer to a place in the Sun.

Listen ye, my children, follow my teaching. Be ye ever seeker of Light. Shine in the world of men all around thee, a Light on the path that shall shine among men.

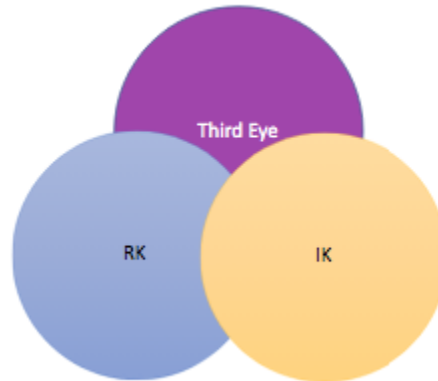

Follow ye and learn of my magic. Know that all force is thine if thou wilt. Fear not the path that leads thee to knowledge, but rather shun ye the dark road.

Man is only what he believeth, a brother of darkness or a child of the Light. Come thou into the Light my Children. Walk in the pathway that leads to the Sun.

Hark ye now, and listen to the Wisdom. Use thou the word I have given unto thee. Use it and surely thou shalt find power and wisdom and Light to walk in the way. Seek thee and find the key I was given and ever shalt thou be a Child of the Light.

The Wisdom Concept

The Wisdom Concept

Wisdom is attained only through knowledge, we have two types of knowledge, rational and intuitive. The third element in this model is developing the third eye which is explained next. In my experience the third eye is the ability to “see beyond” your normal eyesight. One night when driving home, after the last turn, a clear image that I felt in the back of my head showed baby deer. So I slowed the car and 1000 feet later there were 2 small deer on the road. Had I not paid attention to the message, I would have killed the animals and ruined the car. So the third eye is a powerful skill that we can all develop to guide us through life in the best possible way.

The Fire of Wisdom

“Wisdom and Knowledge are like fire. Uncontained fire is a blaze that destroys everything on its path. Same thing happens with knowledge. On the other hand, contained fire can give us heat which in winter can save our lives from extreme cold days. Also, contained fire provides us light that illuminates our path in the dark.”

Dark is the world, and we need the light to see through our path to liberation.

Edgar Cacey story

Who was Edgar Cacey? Called the Sleeping Prophet, was an American psychic that was able to produce 14000 readings between 1901 and 1944 to many people on a variety of topics like Physical readings, and life readings. My example here is only in his ability to “see” things with his mind that could not be done with his “normal eyes” or in a conscious state. On many of his patients he only needed to know the exact geographical location. One thing Cacey said is that the unconscious mind has access to information that the conscious mind does not. So, he would not remember what he said after waking up from a session. He reported he could see people and events without physically being there. On one occasion, Cacey was in Philadelphia while the person was in New York. Cacey could see that the person was smoking a cigar, that the phone rang, and he knew the person's name who was calling. This was later confirmed.

One of Cacey’s readings was about polytheism. He said in a trance that five human races (white, black, red, brown and yellow) were created separately but at the same time on different parts of the Earth. Cacey also accepted the existence of other civilizations different from the human race, and he could see Atlantis as being real, he claimed that the red race developed Atlantis which was rapid.

Qualities of Wise Men.

This is a list of qualities that God bestows upon wise men.

1- Wise men accept the unknown.

Wisdom does not need to be right all the time. Because they always believe God and the Universe know better and that without too much effort things are going to be well.

2 - Seek humility, embrace wonder.

3 - Do not be defined by success.

The wise know that giving is more important than receiving. By not settling into the joy of success, the wise always move the bar for something new and do not fall into the self inflating ego that does so much damage to our persona.

4 - Accept finality of life.

5 - Value character over reputation

6 - Listen more than talking, then ask questions.

7 - Grow in Hope regardless of what is going on around you.

8 - Being Sincere.

9- Wise people are fair and Just. Impartiality is ingrained in the Wisdom you attain.

My Journey to Wisdom

My journey to wisdom began 18 years ago where I used to live in White Plains, New York and; one day I started to realize that I'd been looking too many buses in a certain week that had the same marketing (Message) on the side, then I started feeling strange because I could see the bus every day and the same message would repeat again and again; I thought there was a point where I said these are not a random messages, those messages were targeted to me for some reason, so I started to pay close attention to my surroundings; but I did not know how to tell someone about this event; so the next day my wife used to take the train to Manhattan to work, got into the train and a lady sat down next to her and she started talking casually and then started explaining to my wife how the same thing that happened to me the day before about waking up to intuitive messages; a friend of this lady called her in to do something about a problem and the brother told her to wake up and she ended up taking a flight to New York; and she thought was not a coincidence, then, when they got out of the train in NY city with my wife they looked at some of the billboards and the lady said to my wife one billboard message is there for you. I do not remember what the billboard said, but I was surprised all this happened as a consequence of me "waking" up to this reality.

I think it was better for someone else to explain it to my wife than me trying to explain it to her. I mean the discovery of her intuition was talking to me literally on the streets. This was my first time that I understood the way God and intuition talks to you in no uncertain terms; if you're paying attention and again paying attention and listening, the key for us is to understand what the intuition is trying to tell us.

The messages that I was able to read are not of the type of do not do this, do not do that, but they come in terms of consequences (if you continue doing what you are doing....). They are warning you that an accident or event will happen if you do not pay close attention. It has happened to me multiple times, and if I did not pay attention, I would be dead, or very sick, or paraplegic. Many people cannot digest that intuition can be prophetic, that it can tell you something about the upcoming future. I know those people, and their lives can be upended by this fact.

From then on I started paying closer attention. Going through my day to day travels to the office and I learned that certain things that appeared with some kind of message saying that something was gonna happen to me and those things were these gigantic buses from leprechaun that I made my own as a symbol of something coming my way.

Another thing that I realized is that numbers represent not only quantities and they are not only used in math but they symbolize something else so for example we have number one which is unity of whole, the beginning², music is written around the number one:

number two is a conflict I don't like to talk to much about it, number three is divine elements, for example, the father the son and the Holy Spirit;

Number four is construction: God created all material universe on the 4th day.

Number five: Symbolizes balance. Multiplied by itself gives you 25, which symbolizes double grace.

Number Six: Connection with God, knowledge and it is double 3. Number 6 is one of the main numbers Nicola Tesla refers to as the basis for understanding how the universe works. The Romans and the Greeks had Saturn as the god of order and discipline. Saturn is the 6th planet on the solar system. On the north pole of Saturn has a very defined 9.000 mile wide Hexagon .

Number Seven: It means Ambivalence. It also means spirituality and Intuition.

Number Eight: as multiple of 4, 8 represent new beginnings, it is an important number in the Bible, i.e Jesus when resurrected appeared 8 times to his close ones. The name of Jesus sums up 888 in Greek.

Number Nine: We have spiritual enlightenment, the fruits of the Holy Spirit of God, and also the Number of Spiritual Gifts. According to numerology, number 9 represents initiation and wisdom. Highest number of single digits, 9 is a highly emotional number, holding the path to spiritual enlightenment.

The importance of numbers by Nicola Tesla.

Tesla³ “ used **simple mathematics of Ancient Greek mathematician Archimedes**, first making an analogy between mechanics and electromagnetism. It is not possible to fully evaluate the significance of such a method of thinking, which directly points out the necessity of full physical interpretation of elementary mathematical notions.”

The following is attributed to Tesla, but then to a math professor Joey Grether. It is uncertain as some claim that the star comes from the Egyptians. Regardless, I believe it is important to mention it in this book, because it teaches children a different way to see math, not only with prime numbers, but looking at how the numbers relate with ancient geometry.

MAP TO MULTIPLICATION

2 and 10 act as "doubblers," alternating between the doubling of prime positions next to them and across

The number 3 multiplies itself through the system as a perfect square. It bounces from position 3, to 6, to 9, to 12. All multiples of 3 are found in these positions.

The number 4 multiplies itself through the system as an Equilateral Triangle. It bounces between positions 4, 8, and 12. All multiples of 4 bounce in these positions.

The number 6 multiplies itself through the system as a straight line. It bounces back and forth between positions 6 and 12.

5 is the first prime position. It functions as a star in some respects bouncing back and forth across the system counter clockwise.

7 is the second prime position. It mirrors the path of 5 touching each position exactly opposite cross-crossing 5's path clockwise.

1, or 13 rather, is the top right prime position. It mirrors 11, cascading out to the right and back around the system.

11 is the top left prime position. It cascades out to the left and circles back around the system.

COMPOSITES and PRIMES as a self organized system

Exceptions to the prime positions occur when primes interact with each other. The first exception (25) to the prime position is when 5 multiplies by itself, or is squared. The second exception (35) is 5 interacting with 7. All other exceptions are multiples of 5 and 7 or 11 and 13. All squared primes land in position 1. All twin primes (pairs on the sides of 6 or 12 add up to be a multiple of 12.

Nikola Tesla Inventor

In the diagram, you can find all the important shapes so far, like the Hexagon, spiral, diamond, triangle, etc.

Tesla also found that all the critical and important numbers in math and physics, when added, the result is either 3, 6, or 9. This tells us that those 3 numbers are the most important in the universe.

In general, I love to see topics that have no explanation. Crop Circles come to mind. Crop circles are shapes and figures that appear on wheat fields suddenly throughout the world. It all depends on your mental state. I find that there are two kinds of people. Open, and closed. The open minded do not dismiss immediately new information just because they do not understand it or make bad judgements instantaneously. The open minded explores and tries to invent theories, talk to friends, look at other resources and see how they can get a better understanding. I personally take as much information as I can and store it for future use. I believe that when something new comes along, only those that have previous information that connect the dots are the ones who understand better than others.

Recently I talked to a friend and mentioned this book, and a theory that humans have been around for a long time, and she replied that her parents told her that the Bible said 6.000 years before Christ was the period that man started on earth. I then sent her information where evidence recently was found of skeletons with tools dated at 41.000 thousands years ago. I also mentioned Gobekli Tepe, in Turkey, which is dated 10.000 years before Christ. Next, I will reference information about the Summerians which go back 450.000 years ago and more interestingly a timeline from their beginning on earth until Abraham..

The History of the Annunaki.

Although there is no hard evidence found of the Annunaki existence, information has filtered through different sources of their existence thousands of years ago. The following is a description from Wikipedia.

“The **Anunnaki** are a group of **deities** who appear in the mythological traditions of the ancient **Sumerians**, **Akkadians**, **Assyrians**, and **Babylonians**. In the earliest Sumerian writings about them, which come from the Post-Akkadian period, the Anunnaki are the most powerful deities in the **pantheon**, descendants of **An** and **Ki**, the god of the heavens and the goddess of earth, and their primary function is to **decree the fate of Sumerians**.

In *Inanna's Descent into the Netherworld*, the Anunnaki are portrayed as seven judges who sit before the throne of **Ereshkigal** in the **Underworld**. Later Akkadian texts, such as the *Epic of Gilgamesh*, follow this portrayal. During the Old Babylonian period, the Anunnaki were believed to be the **chthonic** deities of the Underworld, while the gods of the heavens were known as the **Igigi**. The ancient **Hittites** identified the Anunnaki as the oldest generation of gods, who had been overthrown and banished to the Underworld by the younger gods”

Deities in ancient Mesopotamia were almost exclusively **anthropomorphic**.^[1] They were thought to possess extraordinary powers and were often envisioned as being of tremendous physical size. The deities typically wore *melam*, a substance which "covered them in terrifying splendor". *Melam* could also be worn by heroes, kings, giants, and even demons. The effect that seeing a deity's *melam* has on a human is described as *ni*, a word for the **physical tingling of the flesh**. Deities were almost always depicted wearing horned caps, consisting of up to seven superimposed pairs of ox-horns. They were also sometimes depicted wearing clothes with elaborate decorative gold and silver ornaments sewn into them.

The ancient Mesopotamians believed that their deities lived in **Heaven**, but that a god's statue was a physical embodiment of the god himself. As such, **cult statues** were given constant care and attention and a set of priests was assigned to tend to them. These priests would clothe the statues^[20] and place feasts before them so they could "eat". A deity's **temple** was believed to be that deity's literal place of residence. The gods had boats, full-sized **barges** which were normally stored inside their temples and were used to transport their cult statues along waterways during various **religious festivals**. The gods also had **chariots**, which were used for transporting their cult statues by land.^[25] Sometimes a deity's cult statue would be transported to the location of a battle so that the deity could watch the battle unfold. The major deities of the Mesopotamian pantheon, which included the Anunnaki, were believed to participate in the "assembly of the gods", through which the gods made all of their decisions. This assembly was seen as a divine counterpart to the **semi-democratic legislative system** that existed during the **Third Dynasty of Ur** (c. 2112 BC–c. 2004 BC).

A summarized timeline from Sumeria, Assyria, and Babylon. .

450k BC -- A planet called Nibiru which was part of our solar system faces extinction because their atmosphere is weakening. The ruler Alalu escapes the planet and travels to Earth. He then discovers that Earth has large quantities of gold that can help restore Nibiru's atmosphere.

445k BC -- Enki, son of Anu, a Annunaki lands on Earth, settling a new city for extracting gold from the Persian Gulf.

430k BC -- Earth climate turns warmer, more Anunnaki arrive including Ninursag. Top Medical Executive.

300k BC -- The Anunnaki experience difficulties with mining the gold. Enki and Ninursag create primitive workers by modifying their DNA of an Ape woman⁴; They then take over the tasks of the Anunnaki. Because they can procreate, the Homo Sapiens begin to multiply.

200k BC -- Life on earth changes during a new glacial period.

100k BC -- Climate on Earth goes back to normal.

75k BC -- A new ice age begins. Another type "less" of man covers the earth. The Cro-Magnon man survives the climate changes.

13k BC -- Nibiru will pass near Earth and Enlil makes the Anunnaki swear to keep it a secret from mankind as the great calamity will soon end life on Earth.

11k BC -- Enki instructs Noah/Ziusudra to build a submersible ship. Tidal waves cover the earth; Enlil agrees to help the survivors with tools and seeds. Agriculture starts.

10.5k BC -- Noah descendants are given three regions. Ninurta dams the mountains and drain rivers to make Mesopotamia good for settlements and build towns. Enki reclaims the Nile valley. More importantly, the Sinai is retained by the Anunnaki for a spaceport. A development is established in what today is Jerusalem.

8670 BC -- The division of Earth is confirmed. The command over Egypt is transferred from Ra/Marduk dynasty to that of the Thoth of Atlantis.

7400 BC -- Peace continues on Earth, the Anunnaki allow mankind new advances. The Neolithic era begins. Demi-Gods rule over Egypt.

3450BC -- The tower of Babel incident. The Anunnaki confuse and mix man's languages.

3100BC -- The end of 350 years of chaos. The second region begins for civilization.

2123 BC -- Abraham is born in Nippur.

2024 BC -- The great Anunnaki approves the use of nuclear weapons. Nergal and Ninurta destroy the spaceport and the Canaanite cities.

⁴ This is the third option to Evolution Vs Creation.

2023 BC -- The radioactive winds travel to Sumer. Many people die, as well as animals and water is contaminated. People are unable to plant anything in the soil. It is the end of the great Sumer civilization. The legacy is turned over to Abraham at 100 years old. Then his son Isaac is given the baston.

It took me some time to digest all this new information, but I was dying to fill the huge gap in our history, because many events unexplained like the temples and big monuments did not fit in. You might not agree with the timeline above, and as always we should take all information and knowledge with a tiny grain of salt.

And if part of this knowledge goes over your head, do not fret. It happened to me, and I am glad we are rediscovering a history that makes more sense and tells us new truths because I believe that if we learn from the past, we will not make the same mistakes today, and the future will be even brighter.

1. What is wisdom: The quality of having experience, knowledge, and good judgment, the quality of being wise.
2. What is wisdom according to the Bible: There is a story in the Bible that speaks of Solomon, a young man who, after God offered him anything his heart desired, he requested wisdom.
3. Can wisdom be taught: No. You can learn new information, but wisdom can only be acquired through experience. By learning as much as you can, analyzing your experiences and putting your knowledge to the test, you can become a wiser person.
4. How is wisdom better than money: Proverbs 3:13 Blessed is the one who finds wisdom, and the one who gets understanding, for the gain from her is better than gain from silver and her profit better than gold. She is more precious than jewels, and nothing your desire can compare with her.

Types of Wisdom

Earthly Wisdom

From below, the world is full of it. It can be found in all areas, like politics, science, even into church.

In the Bible, it says that “Professing themselves to be wise, they became fools. And if we are going to avoid it, we must know how to identify it.

Some cultures fall into this trap, they are not conscious of it, but they practice envy which breaks the tenth commandment.

Strife: Ambition is only good when it professes the well-being of others rather than self. Then it degenerates into a “get ahead at all costs”. This in turn is seen by many professionals stepping over their peers to climb the ladder of success. Remember: Respect money because of all the things you can do with it, but never accept it as your main motivation.

Heavenly Wisdom

Jesus Christ is the ultimate source of heavenly wisdom.

It comes down from above, and is God’s gift to every man who requests it.

The first attribute of that which comes from above is that it is pure.

And pure is the synonym of holy. Wisdom that comes from God is pure because God himself is pure and holy. Holiness is God’s primary attribute.

“Purity is just like light. When light enters a room it dispels the darkness, but itself cannot be influenced by the darkness. In the same way heavenly wisdom enters this sinful world, but is not affected by it.”⁵

Indian Tradition⁶

The [Buddha](#) has much to say on the subject of wisdom including:

- He who arbitrates a case by force does not thereby become just (established in [Dhamma](#)). But the wise man is he who carefully discriminates between right and wrong.
- He who leads others by nonviolence, righteously and equitably, is indeed a guardian of justice, wise and righteous.
- One is not wise merely because he talks much. But he who is calm, free from hatred and fear, is verily called a wise man.

⁶ From Wikipedia.org

- By quietude alone one does not become a [sage](#) (muni) if he is foolish and ignorant. But he who, as if holding a pair of scales, takes the good and shuns the evil, is a wise man; he is indeed a muni by that very reason. He who understands both good and evil as they really are, is called a true sage.

To recover the original supreme wisdom of self-nature ([Buddha-nature](#) or [Tathagata](#)) covered by the self-imposed three dusty poisons (the [kleshas](#): greed, anger, ignorance) Buddha taught to his students the threefold training by turning greed into generosity and discipline, anger into kindness and meditation, ignorance into wisdom. As the Sixth Patriarch of [Chán Buddhism](#), [Huineng](#), said in his Platform Sutra, "Mind without dispute is self-nature discipline, mind without disturbance is self-nature meditation, mind without ignorance is self-nature wisdom." In [Mahayana](#) and [esoteric buddhist](#) lineages, [Mañjuśrī](#) is considered as an embodiment of Buddha wisdom.

In [Hinduism](#), wisdom is considered a state of mind and soul where a person achieves [liberation](#).

In Chinese: "Love of learning is akin to wisdom. To practice with vigor is akin to humanity. To know to be shameful is akin to courage

Conclusions

What I have found in my 50 Years of life, is that we are born with nothing in our rational minds, only with intuitive knowledge, and we have the choice to only leave with two things. Knowledge and Wisdom. Wisdom: It cannot be taught, it can be acquired only through rational knowledge and intuitive knowledge. Although I find dreams many times to be cryptic, there are many resources online that give you enough information to understand the message, and act accordingly. The information conveyed in my dreams cannot be underestimated, it has huge value and kept me from making really bad decisions. Talking about decisions, we are never taught about how to make decisions in life. To me it is probably the most important subject anyone needs to learn. My book [Enrich-Me](#), talks about all these important aspects and how it affects us personally.

Is Wisdom easy? No. If it was easy, we would live in a different world. The life lessons older people gained, is not through a soft road, but many times bumpy and with unexpected curves. That is nature and that is real life. We need to open our eyes and ears wide, and let the universe guide us so that we can live a better life with good experiences and avoid pitfalls and much suffering. The choice is ours.

For reference, you can also look for the Book of Wisdom or the Wisdom of Solomon, where it urges rulers of earth to love righteousness and seek wisdom.
